City of Lakes/Downtown Days

This year's City of Lakes/Downtown Days celebration will be held on June 24 & 25. The theme of this year's celebration will be an Ol' Fashioned Summer. This theme will create many opportunities for fun and exciting events. We will plan to have our crafters and vendors in the downtown area, sidewalk sales, kids' games, live entertainment and many other fun

events. We would like to have any other suggestions that you may come up with. Please contact the WCDC office at 574-267-6419 or by e-mail at wcdc@kconline.com. We are also in need of volunteers!!

Streetscape

As soon as the weather breaks, the downtown Streetscape will be started. This will cover Buffalo Street from Main St. crossing to Market Street crossing. This will include planters, trees, bricks and flowers. To see the plans or to ask questions, please stop by the WCDC at 107 E. Market Street. We look forward to this great improvement to our downtown streets!

Downtown Eatery

Things are looking up downtown, with the remodeling of the Downtown Eatery. They have been working on the inside and out to improve the looks and environment of their establishment. The Downtown will be re-opening soon.

Lake Theatre

The Lake Theatre has been purchased by Zimmer, Inc. The company plans to remodel the building and hopefully turn it into a number of suites. Keep an eye on the building to watch its progress. This will be an asset to our downtown.

Membership Drive

We need your support! Membership is what keeps our organization alive. We need people like you to support us with your membership to make our downtown area a better place to live, work and play! Our goal is 100 members. Please contact WCDC for more info.
